

UPDATE – MARCH 22, 2020

COVID-19:

- On Monday March 16th, BC Health Officials issued a Class Order ban on gatherings in excess of 50 people.
- This ban applies to societies such as the LMMC and therefore there are no events scheduled until the order is lifted.
- We appreciate your patience and understanding during these challenging times.
- Please stay safe and be well.

Executive Position Available:

- The “Secretary” position is still available.
- If you are interested in filling this position or would like to volunteer to run the dozer, water the track, help out at sign-up, man the front gate or any other task please contact one of the Executive at your convenience.

Track:

- The Executive along with several volunteers have been making great progress with the track. Plenty of changes have already been made and more to come. Some of the changes include:
 - New Start Straight
 - New track layout
 - New water sprinkler mounted at start line
 - Trenching completed for several new waterlines

Thank you

Your 2020 LMMC Executive
